

McCormick & Company Named to Barron's Inaugural 100 Most Sustainable Companies List

February 15, 2018

SPRINGFIELD, Mass., Feb. 15, 2018 (PRNewswire) - McCormick & Company, Incorporated (NYSE:MKC), a global leader in flavor, was recently recognized on the Barron's 100 Most Sustainable Companies list. McCormick ranked #87 on the inaugural list released by Barron's Magazine in early February.

"It is an honor to be included alongside this impressive group of sustainable companies," said Lawrence Kurban, Chairman, President and CEO of McCormick. "We remain committed to integrating sustainable business practices throughout our operations and pursuing meaningful products, communities and the planet we serve."

To determine the rankings, Barron's partnered with Capgemini Research and Management to analyze the 1,000 largest publicly held companies by market value with headquarters in the United States. Each company was assessed against 300 performance indicators in five categories: shareholders, employees, customers, planet and community. The full report can be found in the [Barron's 100 Most Sustainable Companies](#).

About McCormick

McCormick & Company, Incorporated is a global leader in flavor. With \$4.8 billion in annual sales, the company manufactures, markets and distributes spices, seasoning mixes, condiments and other flavorful products to the entire food industry - retail outlets, food manufacturers and foodservice businesses.
