

McCormick & Company Named to Barron's 2023 100 Most Sustainable Companies List

March 9, 2023

HUNT VALLEY, Md., March 9, 2023 /PRNewswire/ -- McCormick & Company, Incorporated (NYSE: MKC), a global leader in flavor, today announced that it has been recognized on the 2023 Barron's 100 Most Sustainable Companies List released by Barron's Magazine. McCormick ranked 54th overall. This year marked Barron's sixth annual ranking, and the fifth time in which McCormick has been included on this prestigious list.

"McCormick is honored to be featured as one of Barron's 100 Most Sustainable Companies for the fifth year," said Lawrence E. Kurzius, Chairman and CEO of McCormick & Company. "This most recent ranking reflects our continued progress against our Purpose-led Performance commitments which include doing what's right for People, Communities, and the Planet we all share."

In addition to the 2023 Barron's 100 Most Sustainable Companies list, McCormick was also recently recognized as one of America's most JUST companies on the JUST Capital 100 list and Fortune's 2022 Change the World list of 50 global companies.

To learn more about McCormick's Purpose-led Performance commitments and goals, read our [2021 Purpose-led Performance Report](#) or visit the [PLP section of our Corporate Website](#).

To determine the rankings, Barron's collaborated with Calvert Research and Management, a leader in ESG investing, to evaluate and rank the 1,000 largest publicly traded companies based on their market value. Analysis was conducted in five crucial areas: shareholders, employees, customers, community, and the planet.
