RISK FACTORS

An investment in our Debt Securities involves a high degree of risk. We urge you to carefully consider the risks incorporated by reference in this prospectus and, if applicable, in any accompanying prospectus supplement used in connection with an offering of Debt Securities, before making an investment decision, including those risks identified under “Risk Factors” in our annual report on Form 10-K for the year ended November 30, 2014 and our quarterly report on Form 10-Q for the quarter ended August 31, 2015, both of which are incorporated by reference in this prospectus and which may be amended, supplemented or superseded from time to time by other reports we file with the Commission in the future. For the purpose of this ratio, “earnings” consist of income from consolidated operations before income taxes, plus fixed charges (net of capitalized interest), amortization of capitalized interest and dividends from unconsolidated subsidiaries. “Fixed charges” consist of interest, whether expensed or capitalized (including amortization of debt discount), and that portion of rental expense that is representative of interest.

USE OF PROCEEDS

Except as may be described otherwise in a prospectus supplement, we expect to use the net proceeds from the sale of the Debt Securities under this prospectus for general corporate purposes, including refinancing existing indebtedness, future acquisitions, capital expenditures and working capital. Until we apply the net proceeds for specific purposes, we may invest such net proceeds in short-term or marketable securities.

DESCRIPTION OF DEBT SECURITIES

The following description of the terms of the Debt Securities sets forth certain general terms and provisions of the Debt Securities to which any prospectus supplement may relate. The Debt Securities are to be issued under the Indenture (the "Indenture"), dated as of July 8, 2011, between McCormick and U.S. Bank National Association, as trustee (the "Trustee"), a copy of which has been filed with the Commission as an exhibit to the registration statement of which this prospectus is a part. We will include in a supplement to this prospectus and/or in a free writing prospectus or pricing supplement authorized by us, the specific terms of each series of Debt Securities being offered. The following summaries of certain provisions of the Indenture and the Debt Securities do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the Indenture (including any amendments or supplements we may enter into from time to time) and the Debt Securities. Capitalized terms are defined in the Indenture unless otherwise defined herein. Wherever particular provisions or defined terms of the Indenture are referred to, such provisions or defined terms are incorporated herein by reference.

General

The Indenture does not limit the amount of Debt Securities which can be issued thereunder and provides that Debt Securities may be issued thereunder up to the aggregate principal amount which may be authorized from time to time by us. The Debt Securities will be unsecured and will rank on a parity with all other unsecured and unsubordinated indebtedness of McCormick.

Reference is hereby made to the prospectus supplement relating to the applicable series of Debt Securities for the terms of such Debt Securities, including where applicable:

- the principal amount offered;
- the title of the securities of the series;
- any limit upon the aggregate principal amount of the securities of the series which may be authenticated and delivered under the Indenture;
- the date or dates on which the principal of the securities is payable;
- the rate or rates at which the securities of the series shall bear interest, if any, the date or dates from which such interest shall accrue, the interest payment dates on which such interest shall be payable and the regular record date for the interest payable on any interest payment date;
- the place or places where the principal of (and premium, if any) and interest on securities of the series shall be payable, any securities of that series may be surrendered for exchange and notices and demands to or upon McCormick in respect of the securities of that series and the Indenture may be served;
- the period or periods within which, the price or prices at which, the currency or currency unit in which, and the terms and conditions upon which securities of the series may be redeemed, in whole or in part, at the option of McCormick;
- the obligation, if any, of McCormick to redeem or purchase securities of the series pursuant to any sinking fund or analogous provisions or at the option of a holder thereof and the period or periods within which, the price or prices at which, the currency or currency unit in which, and the terms and conditions upon which securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;
- if other than denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, the denominations in which securities of the series shall be issuable;
- if other than the principal amount thereof, the portion of the principal amount of securities of the series which shall be payable upon declaration of acceleration of the maturity thereof pursuant to the Indenture;
- any Events of Default and covenants of McCormick with respect to the securities of that series, whether or not such Events of Default or covenants are consistent with the Events of Default or covenants set forth in the Indenture;
- if other than the currency of the United States of America, the currency or currency unit in which payment of the principal of (and premium, if any) or interest, if any, on the securities of that series shall be made or in which securities of that series shall be denominated and the particular provisions applicable thereto;
- if the principal of (and premium, if any) and interest, if any, on the securities of that series are to be payable, at the election of McCormick or a holder thereof, in a currency or currency unit other than that in which such securities are denominated or stated to be payable, the period or periods within which, and the terms and conditions upon which, such election may be made, and the time and manner of determining the exchange rate between the currency or currency unit in which such securities are denominated or stated to be payable and the currency or currency unit in which such securities are to be so payable;

- if the amount of payments or principal of (and premium, if any) or interest, if any, on the securities of the series may be determined with reference to an index based on a currency or currency unit other than that in which securities are denominated or stated to be payable or any other index, the manner in which such amounts shall be determined; and
- any other terms of the series (which terms shall not be inconsistent with the provisions of the Indenture).

The Debt Securities may be issued in one or more series with the same or various maturities and will be issued only in full registered form without coupons.

The terms of the Debt Securities do not afford holders of the Debt Securities protection in the event of a highly leveraged transaction involving McCormick that may adversely affect holders of the Debt Securities.

Transfer and Exchange

The Debt Securities of a series may be issued in either registered form (“Registered Securities”) or global form. See “Book-Entry Securities.” Registered Securities may be separated into smaller denominations or combined into larger denominations, as long as the total principal amount is not changed. (Section 3.5 of the Indenture). This is called an “exchange.”

You may transfer Registered Securities of a series and you may exchange Debt Securities of a series at the office of the Trustee. The Trustee will act as our agent for registering Registered Securities in the names of holders and transferring Debt Securities. We may designate someone else to perform this function. Whoever maintains the list of registered holders is called the “Security Registrar.” The Security Registrar also will perform transfers. (Section 3.5 of the Indenture).

You will not be required to pay a service charge to transfer or exchange Debt Securities, but you may be required to pay for any tax or other governmental charge associated with the exchange or transfer. The transfer or exchange will be made only if the Security Registrar is satisfied with your proof of ownership. (Section 3.5 of the Indenture).

If we designate additional transfer agents, we will name them in the accompanying prospectus supplement. We may cancel the designation of any particular transfer agent. We may also approve a change in the office through which any transfer agent acts.

If we redeem less than all of the Debt Securities of a redeemable series, we may block the transfer or exchange of Registered Securities during the period beginning 15 days before the day of the selection for redemption of such Registered Securities and ending on the day of the mailing of the relevant notice of redemption in order to freeze the list of holders to prepare the mailing. We may also decline to register transfers or exchanges of Debt Securities selected for redemption, except that we will continue to permit transfers and exchanges of the unredeemed portion of any Debt Security being partially redeemed. (Section 3.5 of the Indenture).

If the offered Debt Securities are redeemable, we will describe the procedures for redemption in the accompanying prospectus supplement.

In this “Transfer and Exchange” section of this prospectus, “you” means direct holders and not indirect holders of Debt Securities.

Book-Entry Securities

The Debt Securities of a series may be issued in whole or in part in the form of one or more global securities (the “Global Securities”) which will be deposited with, or on behalf of, The Depository Trust Company, New York, New York (the “Depository”) and registered in the name of the Depository’s nominee. Except as set forth below, the Global Securities may be transferred, in whole and not in part, only to another nominee of the Depository or to a successor of the Depository or its nominee.

The Depository has advised us that it is a limited-purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act. The Depository was created to hold securities for its participants and to facilitate the clearance and settlement of securities transactions among its participants in such securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movement of securities certificates. The Depository’s participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations, some of which (and/or their representatives) own the Depository. Access to the Depository’s book-entry system is also available to others, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. Persons who are not participants may beneficially own securities held by the Depository only through participants.

Upon the issuance of Debt Securities by us represented by the Global Securities, the Depository will credit, on its book-entry registration and transfer system, the respective principal amounts of the Debt Securities represented by such Global Securities to the accounts of participants. The accounts credited shall be initially designated by the underwriters or agents.

If the Depositary is at any time unwilling or unable to continue as depositary, or if at any time there shall have occurred and be continuing an Event of Default under the Indenture with respect to the Debt Securities, we will issue Debt Securities in certificated form in exchange for the Global Securities. In addition, we may at any time determine not to have Debt Securities represented by the Global Securities, and, in such event will issue Debt Securities in certificated form in exchange for the Global Securities representing such Debt Securities. In any such instance, an owner of a beneficial interest in the Global Securities will be entitled to physical delivery in certificated form of Debt Securities equal in principal amount to such beneficial interest and to have such Debt Securities registered in its name.

Certain of Our Covenants

Limitations on Liens

Except as described below under “—Exempted Indebtedness”, we covenant that we will not, nor will we permit any Restricted Subsidiary to, create, assume or suffer to exist any mortgage, security interest, pledge or lien (“Lien”) of or upon any Principal Property or any shares of capital stock or evidences of indebtedness for borrowed money issued by any Restricted Subsidiary and owned by us or any Restricted Subsidiary, without providing that the Debt Securities shall be secured equally and ratably by such Lien with any and all other indebtedness or obligations thereby secured, so long as such indebtedness or obligations shall be so secured.

This restriction does not apply to:

- Liens that exist on the date of the Indenture;
- Liens on property of any corporation existing at the time such corporation becomes a Subsidiary;
- Liens in favor of us or any Subsidiary;
- Liens in favor of governmental bodies to secure progress, advance or other payments pursuant to contract or statute or indebtedness incurred to finance all or a part of construction of or improvements to property subject to such Liens;
- Liens on property existing at the time of acquisition thereof (including acquisition through merger or consolidation), and construction and improvement liens that are entered into within 180 days from the date of such construction or improvement, provided that in the case of construction or improvement the Lien shall not apply to any property theretofore owned by us or any Restricted Subsidiary except substantially unimproved real property on which the property so constructed or the improvement is located;
- mechanics’ and similar Liens arising in the ordinary course of business in respect of obligations not due or being contested in good faith;
- Liens for taxes, assessments, or governmental charges or levies that are not delinquent or are being contested in good faith;
- Liens arising from any legal proceedings that are being contested in good faith;
- any Liens that (a) are incidental to the ordinary conduct of our business or the ownership of our properties and assets, (b) were not incurred in connection with the borrowing of money or the obtaining of advances or credit and (c) do not in the aggregate materially detract from the value of our property or the property of any Subsidiary or materially impair the use thereof in the operation of our business;
- Liens securing industrial development or pollution control bonds; and
- Liens for the sole purpose of extending, renewing or replacing (or successively extending, renewing or replacing) in whole or in part any of the foregoing. (Section 10.7 of the Indenture).

Limitation on Sale and Leaseback

Except as described below under “—Exempted Indebtedness,” we will not, nor will we permit any Restricted Subsidiary to, enter into any arrangement with any Person providing for the leasing (as lessee) by us or any Restricted Subsidiary of any Principal Property (except for temporary leases for a term, including any renewal, of not more than three years and except for leases between us and a Restricted Subsidiary or between Restricted Subsidiaries) which property has been or is to be sold or transferred by us or a Restricted Subsidiary to such Person unless either:

- we or such Restricted Subsidiary would be entitled, pursuant to the fifth and eleventh clauses of the covenant described under “—Limitations on Liens” above, to incur a Lien on such property without equally and ratably securing the Debt Securities; or
- the net proceeds of such sale are at least equal to the fair value of such property and we will apply an amount equal to the net proceeds of such sale to the retirement (other than any mandatory retirement or payment at maturity) of (a) Debt Securities (other than any retirement prohibited by the terms of any Debt Securities pursuant to prohibitions on advance refundings) or (b) our or a Restricted Subsidiary’s Funded Debt ranking prior to or on a parity with the Debt Securities, within 120 days of the effective date of any such arrangement. (Section 10.8 of the Indenture).

Exempted Indebtedness

Notwithstanding the limitations on Liens and sale and leaseback transactions outlined above, we or any Restricted Subsidiary may create, assume or suffer to exist Liens or enter into sale and leaseback transactions not otherwise permitted as described above provided that at the time of such event, and after giving effect thereto, the sum of outstanding indebtedness for borrowed money of McCormick and its Restricted Subsidiaries incurred after the date of the Indenture and secured by Liens not otherwise permitted as set forth above plus the Attributable Debt in respect of such sale and leaseback transactions entered into by McCormick and its Restricted Subsidiaries after the date of the Indenture not otherwise permitted as set forth above does not exceed 15% of Consolidated Net Tangible Assets. (Sections 1.1, 10.7(b) and 10.8(b) of the Indenture).

Merger and Consolidation

We covenant that we will not merge, consolidate or convey, transfer or lease our properties and assets substantially as an entirety and we will not permit any Person (as defined in the Indenture) to consolidate with or merge into us or convey, transfer or lease its properties and assets substantially as an entirety to us unless, among other things:

- the successor Person is McCormick or another corporation organized and existing under the laws of the United States, any state thereof or the District of Columbia that assumes our obligations on the Debt Securities and under the Indenture,
- immediately after giving effect to such transaction, McCormick or the successor Person would not be in default under the Indenture, and
- if, as a result of any such consolidation or merger or such conveyance, transfer or lease, any Principal Property of McCormick would become subject to a Lien that would not be permitted by the Indenture, we or such successor Person takes such steps as are necessary effectively to secure the Debt Securities equally and ratably with (or, at our option, prior to) all indebtedness secured thereby. (Section 8.1 of the Indenture).

Except as described above, the Indenture does not contain any provisions that would afford holders of the Debt Securities protection in the event of:

- a highly leveraged or similar transaction involving us;
- a change in control or a change in our management; or
- a reorganization, restructuring, merger or similar transaction involving us that may adversely affect the holders of the Debt Securities.

In addition, subject to the limitations set forth above, we may, in the future, enter into certain transactions such as the sale of our properties and assets substantially as an entirety or a merger or consolidation with another entity that could increase the amount of our indebtedness or otherwise adversely affect our financial condition or results of operations, which may have an adverse effect on our ability to service our indebtedness, including the Debt Securities. We have no present intention of engaging in a highly leveraged or similar transaction involving us.

Events of Default

An Event of Default with respect to the Debt Securities is defined in the Indenture as being:

- (i) default for 30 days in the payment of any installment of interest on the Debt Securities;
- (ii) default in the payment of any principal of the Debt Securities;
- (iii) default by McCormick in the performance of any other covenants or agreements in the Indenture contained therein for the benefit of the Debt Securities which shall not have been remedied for a period of 90 days after written notice of such default to McCormick by the Trustee or to McCormick and the Trustee by the holders of at least 25% in aggregate principal amount of the Debt Securities;
- (iv) certain events of bankruptcy, insolvency or reorganization of McCormick; or
- (v) any other Event of Default specified for a series in the applicable prospectus supplement. (Section 5.1 of the Indenture).

The Indenture provides that if an Event of Default under clause (i), (ii), (iii) or (v) above shall have occurred and be continuing, either the Trustee or the holders of not less than 25% in principal amount of the Debt Securities may declare the principal of all the Debt Securities, together with any accrued interest, to be due and payable immediately. (Section 5.2 of the Indenture).

If an Event of Default under clause (iv) above shall have occurred and be continuing, then the principal of all the Debt Securities, together with any accrued interest, will be due and payable immediately without any declaration or other act on the part of the Trustee or any holder of a Debt Security. Upon certain conditions such declaration (including a declaration caused by a default in the payment of principal or interest, the payment for which has subsequently been provided) may be annulled by the holders of a majority in principal amount of the Debt Securities. (Sections 5.2 and 5.13 of the Indenture).

In addition, prior to the declaration of the acceleration of the maturity of the Debt Securities, past defaults may be waived by the holders of a majority in principal amount of the Debt Securities, except a default in the payment of principal of or interest on any Debt Security or in respect of a covenant or provision of the Indenture which cannot be modified or amended without the approval of the holder of each Debt Security. (Sections 5.2 and 5.13 of the Indenture).

The Indenture contains a provision entitling the Trustee, subject to the duty of the Trustee during default to act with the required standard of care, to be indemnified by the holders of Debt Securities issued thereunder before proceeding to exercise any right or power under the Indenture at the request of the holders of such Debt Securities. (Section 6.3 of the Indenture).

The Indenture also provides that the holders of a majority in principal amount of the Outstanding Securities of a particular series issued thereunder and affected (each series voting as a separate class) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of such series. (Section 5.12 of the Indenture).

The Indenture contains a covenant that McCormick will file annually with the Trustee a certificate as to the absence of any default or specifying any default that exists. (Section 10.9 of the Indenture).

Definitions

“Attributable Debt” with respect to any sale leaseback transaction that is subject to the restrictions described under “Certain of our Covenants—Limitation On Sale and Leaseback” means the lesser of:

- the total net amount of rent required to be paid during the remaining base term of the related lease or until the earliest date on which the lessee may terminate such lease upon payment of a penalty or a lump-sum termination payment (in which case the total net rent shall include such penalty or termination payment), discounted at the weighted average interest rate borne by the Outstanding Securities (as defined in the Indenture) under the Indenture, compounded semi-annually, or
- the sale price of the property so leased multiplied by a fraction, the numerator of which is the remaining base term of the related lease and the denominator of which is the base term of such lease.

“Consolidated Net Tangible Assets” means the total assets of McCormick and its consolidated subsidiaries, including the investment in (at equity) and the net amount of advances to and accounts receivable from corporations which are not consolidated subsidiaries less the following:

- current liabilities of McCormick and its consolidated subsidiaries, including an amount equal to indebtedness required to be redeemed by reason of any sinking fund payment due in 12 months or less from the date as of which current liabilities are to be determined;
- all other liabilities of McCormick and its consolidated subsidiaries other than Funded Debt, deferred income taxes and liabilities for employee post-retirement health plans other than pensions recognized in accordance with Accounting Standards Codification No. 715-60;
- all depreciation and valuation reserves and all other reserves (except for reserves for contingencies which have not been allocated to any particular purpose) of McCormick and its consolidated subsidiaries;
- the book amount of all segregated intangible assets of McCormick and its consolidated subsidiaries, including, but without limitation, such items as goodwill, trademarks, trade names, patents and unamortized debt discount and expense less unamortized debt premium; and
- appropriate adjustments on account of minority interests of other persons holding stock in subsidiaries.

Consolidated Net Tangible Assets shall be determined on a consolidated basis in accordance with generally accepted accounting principles.

“Funded Debt” means any indebtedness of McCormick or a Restricted Subsidiary (other than inter-company debt that is eliminated in consolidation) for borrowed money having a maturity of more than 12 months from the date such indebtedness was incurred or having a maturity of less than 12 months but by its terms being renewable or extendable beyond 12 months from the date such indebtedness was incurred at the option of the obligor.

“Person” means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

“Principal Property” means any manufacturing or processing plant or warehouse, together with the land upon which it is erected and any fixtures and equipment comprising a part thereof, owned by McCormick or any Restricted Subsidiary and located in the United States, the book value (net of depreciation) of which on the date as of which the determination is being made is an amount which exceeds 1% of Consolidated Net Tangible Assets, other than any such manufacturing or processing plant or warehouse or any portion thereof or any such fixture or equipment (together with the land upon which it is erected and any fixtures and equipment comprising a part thereof) (i) which is financed by Industrial Development Bonds or (ii) which, in the opinion of our board of directors, is not of material importance to the total business conducted by us and our Subsidiaries, taken as a whole.

“Restricted Subsidiary” means any Subsidiary that owns, operates or leases one or more Principal Properties.

“Subsidiary” means each corporation of which we, or we and one or more Subsidiaries, or any one or more Subsidiaries, directly or indirectly own securities entitling the holders thereof to elect a majority of the directors, either at all times or so long as there is no default or contingency that permits the holders of any other class or classes of securities to vote for the election of one or more directors.

Satisfaction and Discharge

The Indenture will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Debt Securities, as expressly provided for in the Indenture) as to all Debt Securities of any given series when:

- either:
 - all Debt Securities of such series theretofore authenticated and delivered (except lost, stolen or destroyed Debt Securities that have been replaced or paid) have been delivered to the Trustee for cancellation, or
 - with respect to all Debt Securities of such series not theretofore delivered to the Trustee for cancellation, McCormick has deposited or caused to be deposited with the Trustee funds or Government Obligations (as defined in the Indenture), or any combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Debt Securities not theretofore delivered to the Trustee for cancellation, for unpaid principal and interest to maturity;
- McCormick has paid all other sums payable by it under the Indenture;
- McCormick has delivered to the Trustee an officers’ certificate and an opinion of counsel each stating that all conditions precedent under the Indenture to the satisfaction and discharge of the Indenture have been complied with; and
- if the Debt Securities of such series are not due and payable within one year of the date of such deposit, McCormick has delivered to the Trustee an opinion of counsel to the effect that the holders of the Debt Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, defeasance and discharge had not occurred. (Article IV of the Indenture).

Covenant Defeasance

The terms of the Debt Securities provide that McCormick need not comply with certain restrictive covenants of the Indenture (including those described under “—Certain of our Covenants” above) if:

- McCormick deposits in trust with the Trustee money or Government Obligations, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient to pay all the principal of and interest on the Debt Securities when due; and
- McCormick delivers to the Trustee an opinion of counsel to the effect that the holders of Debt Securities will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit and defeasance had not occurred. (Section 10.11 of the Indenture).

Modification and Waiver

Without the consent of any holder of the Debt Securities, McCormick and the Trustee may modify or amend the Indenture to clarify or to make certain other changes that would not adversely affect the legal rights of any holder. (Section 9.1 of the Indenture).

With the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities of the particular series affected, McCormick and the Trustee may modify or amend the Indenture; provided, however, that no such modification or amendment may, without the consent of the holder of each Debt Security:

- change the stated maturity of the principal of, or any installment of interest on, any Debt Security or reduce the principal amount thereof or the rate of interest thereon, or change the coin or currency in which any Debt Security or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the stated maturity thereof;
- reduce the percentage in principal amount of outstanding Debt Securities necessary to waive compliance with certain provisions of the Indenture or to waive certain defaults; or
- modify any of the provisions relating to supplemental indentures requiring the consent of holders or relating to the waiver of past defaults or relating to the waiver of certain covenants, except to increase the percentage of outstanding Debt Securities required for such actions or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the holder of each Debt Security. (Section 9.2 of the Indenture).

(**) Estimated expenses not presently determinable.

Item 15. Indemnification of Directors and Officers

Under the registrant's by-laws and the Maryland General Corporation Law, the directors and officers of the registrant may be entitled to indemnification in respect of threatened, pending or completed actions, suits or proceedings, whether civil, criminal, administrative or investigative ("proceedings"), to which they are made a party by reason of their position as a director or officer of the registrant. In the case of conduct in their official capacity with the registrant, directors and officers will be entitled to indemnification unless the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty or the director or officer actually received an improper personal benefit in money, property or services. In the case of criminal proceedings the director or the officer also must have had no reasonable cause to believe that the conduct was unlawful.

If the director or officer is successful on the merits or otherwise in the defense of any proceeding, the director or officer will be entitled to indemnification against reasonable expenses incurred in connection with the proceedings regardless of whether the foregoing standards are met. In addition, a court of appropriate jurisdiction may order indemnification if it determines that the director or officer has met the foregoing standards, or if it determines that the director or officer is fairly and reasonably entitled to indemnification in view of all the relevant circumstances.

Any indemnification required or permitted by the registrant's by-laws and the Maryland General Corporation Law may be against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director or officer in connection with the proceeding. However, if the proceeding is by or in the right of the registrant, indemnification may be made only against expenses and may not be made in respect of any proceeding in which the director or officer is adjudged to be liable to the registrant.

Under the registrant's charter, the monetary liability of directors and officers to the registrant or its stockholders is eliminated except for, and to the extent of, actual receipt of any improper benefit in money, property or services, or in respect of an adjudication based upon a finding of active and deliberate dishonesty material to the cause of action adjudicated.

The registrant also maintains for the benefit of its directors and officers insurance covering certain liabilities asserted against or incurred by such persons in their capacity as, or as a result of their position as, director or officer of the registrant. This insurance may afford protection for liabilities not subject to indemnification under the registrant's by-laws and the Maryland General Corporation Law.

Additionally, on March 26, 2014, the Company entered into indemnification agreements with each of its directors and executive officers, utilizing the standard form of indemnification agreement approved by the Board of Directors. The indemnification agreements require the Company to indemnify a director or an executive officer and to advance expenses on behalf of such director or executive officer to the fullest extent permitted by applicable law and establish the procedures by which a director or an executive officer may request and receive indemnification. The agreements are in addition to other rights to which a director may be entitled under the Company's charter, bylaws, and applicable law.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective

date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

- (5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (7) The undersigned registrant hereby undertakes that for purposes of determining any liability under the Securities Act of 1933, each filing of registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- (9) The undersigned registrant hereby undertakes that:
 - (i) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
 - (ii) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (10) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

Board of Directors
McCormick & Company, Incorporated
18 Loveton Circle
Sparks, Maryland 21152

Ladies and Gentlemen:

We are acting as counsel to McCormick & Company, Incorporated, a Maryland corporation (the “**Company**”), in connection with its automatic shelf registration statement on Form S-3ASR (the “**Registration Statement**”), filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the “**Act**”), relating to the proposed public offering of one or more series of debt securities of the Company (the “**Debt Securities**”), all of which may be sold from time to time and on a delayed or continuous basis, as set forth in the prospectus which forms a part of the Registration Statement, and as to be set forth in one or more supplements to the prospectus. This opinion letter is furnished to you at your request to enable you to fulfill the requirements of Item 601(b)(5) of Regulation S-K, 17 C.F.R. §229.601(b)(5), in connection with the Registration Statement.

For purposes of this opinion letter, we have examined copies of such agreements, instruments and documents as we have deemed an appropriate basis on which to render the opinions hereinafter expressed. In our examination of the aforesaid documents, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all original documents, and the conformity to authentic original documents of all documents submitted to us as copies (including telecopies). As to all matters of fact, we have relied on the representations and statements of fact made in the documents so reviewed, and we have not independently established the facts so relied on. This opinion letter is given, and all statements herein are made, in the context of the foregoing.

For purposes of this opinion letter, we have assumed that (i) the issuance, sale, amount and terms of any Debt Securities of the Company to be offered from time to time will have been duly authorized and established by proper action of the board of directors of the Company or a duly authorized committee of such board (“**Board Action**”) consistent with the procedures and terms described in the Registration Statement and in accordance with the Company’s Articles of Restatement and Bylaws and applicable Maryland corporate law, in a manner that does not violate any law, government or court-imposed order or restriction or agreement or instrument then binding on the Company or otherwise impair the legal or binding nature of the obligations represented by the applicable Debt Securities; (ii) at the time of offer, issuance and sale of any Debt Securities, the Registration Statement will have become effective under the Act and no stop order suspending its effectiveness will have been issued and remain in effect; (iii) any Debt Securities will be issued pursuant to the indenture filed as Exhibit 4.1 to the Registration Statement; (iv) the indenture under which any Debt Securities are issued will be qualified under the Trust Indenture Act of 1939, as amended; (v) the Debt Securities will be delivered against payment of valid consideration therefor and in accordance with the terms of the applicable Board Action authorizing such sale and any applicable underwriting agreement or purchase agreement and as contemplated by the Registration Statement and/or the applicable prospectus supplement; and (vi) the Company will remain a Maryland corporation.

To the extent that the obligations of the Company with respect to the Debt Securities may be dependent upon such matters, we assume for purposes of this opinion that the trustee under the indenture for any Debt Securities is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; that such trustee is

duly qualified to engage in the activities contemplated by such indenture; that such indenture has been duly authorized, executed and delivered by such trustee and constitutes the legal, valid and binding obligation of such trustee enforceable against such trustee in accordance with its terms; that such trustee is in compliance with respect to performance of its obligations under such indenture with all applicable laws and regulations; and that such trustee has the requisite organizational and legal power and authority to perform its obligations under such indenture.

This opinion letter is based as to matters of law solely on the laws of the State of New York (but not including any laws, statutes, ordinances, administrative decisions, rules or regulations of any political subdivision below the state level). We express no opinion herein as to any other laws, statutes, ordinances, rules, or regulations (and in particular, we express no opinion as to any effect that such other laws, statutes, ordinances, rules, or regulations may have on the opinions expressed herein).

Based upon, subject to and limited by the foregoing, we are of the opinion that the Debt Securities, upon authentication by such trustee and due execution and delivery on behalf of the Company in accordance with the indenture and any supplemental indenture relating thereto, will constitute valid and binding obligations of the Company.

The opinion expressed above with respect to the valid and binding nature of obligations may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other laws affecting creditors' rights (including, without limitation, the effect of statutory and other law regarding fraudulent conveyances, fraudulent transfers and preferential transfers) and by the exercise of judicial discretion and the application of principles of equity, good faith, fair dealing, reasonableness, conscionability and materiality (regardless of whether the Debt Securities are considered in a proceeding in equity or at law).
